<http://icpee.net/>

Tokyo University of Science, Japan
May 22-25, 2019

The 2nd International Conference on Power and Electrical Engineering

Intention of the organizer is to bring together scientists, engineers and manufacturers as well as to doctoral students from all over the world to meet and discuss recent development and their achievements in the area of power and electrical engineering.

Power and Electrical Engineering 2019 lays the best stage to globalize your research by installing a dialogue between academic organizations and industries and information exchange from research to industry.

*Conference Proceedings

Accepted and registered full papers will be included in **International Conference Proceedings**, which will be online and indexed by **Scopus**, CPCI (Web of Science), Google Scholar, CAS, DOAJ etc.
SPECIAL ISSUE
Good quality papers will be recommended to be published as Special Issue by **International Journal of Electrical and Electronic Engineering & Telecommunications**
ISSN: 2319-2518 | DOI: 10.18178/ijeetc
Indexed by: **Scopus** (since 2017), Google Scholar, Crossref, Citefactor, etc.

*Submission

Papers to be submitted online via Eletronic System:
<http://confsys.iconf.org/submission/icpee2019>

*Call for Paper

General areas of interest to ICPEE include but are not limited to:

Power Engineering

Power System Control, Automation, Stability & Protection
Power Quality & Reliability
Power Plants, Renewable & Distributed Energy Systems
Power System Planning, Management & Economic Evaluation
Power System Risk Assessment & Management
Electricity Market

Smart Grids

Energy Management in Buildings
Smart Grid for Energy Economy & Financial Management
Intelligent Energy Measurement & Monitoring
Smart Grid & Plug-In Vehicles
Power Converters & Control Equipment for Smart Grids

Electrical Machines & Adjustable Speed Drives

Linear Machines & Drives
Permanent Magnet Machines & Drives
Piezo & Electrostatic Actuators
Sensorless Control
Maintenance & Fault Diagnosis
Modelling & Simulation
EMC related Phenomena
Electrical Vehicles

Environment, Renewable Energy & Energy Efficiency

Thermal Generation System Measurement & Control
Power Plant Heat Rate Performance
Power Plant Pollutant Emission Control & Clean Development Mechanism (CDM)
CO2 Capture & Sequestration
Hydrogen Energy & Fuel Cell
Renewable Energy & Distributed Generation
Energy Storage Technology

Transmission & Distribution

Transmission & Distribution Systems & Apparatus
Smart Transmission & Distribution
Substation Automation
Disaster Prevention & Controlet

*Important Dates

Paper Submission Due: **Feb. 5, 2019**

Notification Due to: Feb. 25, 2019

Camera Ready Submission-Deadline for Registration: Mar. 20,2019

*Venue

Morito Memorial Hall (東京理科大学-森戸記念館)
Kagurazaka Campus, Tokyo university of Science
Website: <https://www.tus.ac.jp/facility/morito/>
Location: 4-2-2 Kagurazaka, Shinjuku-ku, Tokyo, Japan
東京都新宿区神楽坂4-2-2

*Conference History

ICPEE2018 has been successfully held in Bangkok, Thailand.
Papers of ICPEE18 published by International Journal of Electrical and Electronic Engineering & Telecommunications (ISSN: 2319-2518)& International Journal of Mechanical Engineering and Robotics Research (ISSN: 2278-0149)
Indexing: **Scopus**
