

# 2023 The 4th International Conference on Power and Electrical Engineering

 Singapore

 November 3-5, 2023

**Submission Deadline**  
August 10, 2023

**Notification Deadline**  
September 8, 2023

**Registration Deadline**  
September 18, 2023

## Committees

### Advisory Chair

Gianfranco Chicco, IEEE Fellow, Politecnico di Torino, Italy

### Conference Chair

Om Malik, IEEE Life Fellow, University of Calgary, Canada

### Conference Co-Chairs

Siew Hwa Chan, Nanyang Technological University, Singapore  
Nidia Caetano, Polytechnic Institute of Porto, Portugal  
Masayuki Morimoto, Tokai University, Japan

### Program Chairs

Jian Li, University of Electronic Science and Technology of China, China  
C. Y. Chung, University of Saskatchewan, Canada  
David A Stone, University of Sheffield, UK

### Program Co-Chairs

Tek-Tjing Lie, Auckland University of Technology, New Zealand

Xu Yan, Nanyang Technological University, Singapore

Lei Chen, Wuhan University, China

Farhad Shahnia, Murdoch University, Australia

Siqi Bu, Hong Kong Polytechnic University, Hong Kong, China

### Steering Committee Chairs

Deepak Waikar, EduEnergy, Singapore

Seung-Hoon Yoo, Seoul National University of Science and Technology, Korea

### Publicity Committee Chairs

Guangya Yang, Technical University of Denmark, Denmark

Pierluigi Siano, University of Salerno, Italy

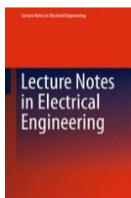

Enrico Zio, Politecnico di Milano, Italy

### Technical Program Chairs

Hazlie Mokhlis, University of Malaya, Malaysia

Weerakorn Ongsakul, Asian Institute of Technology, Thailand

## Publication

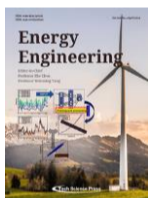

Accepted papers will be published into the **Lecture Notes in Electrical Engineering** (Electronic ISSN: 1876-1119) as a proceedings book volume.

Indexed by **Ei Compendex**, **Scopus**, etc.

### Special Issue-Energy Engineering

Selected registered papers with proper extension will be recommended for potential publication in **Energy Engineering**. ISSN: 0199-8595 (Print), 1546-0118 (Online).

Indexing: **Ei Compendex/Engineering Village (Elsevier)**; **Scopus (Elsevier)**; etc.

## Conference Topics

- ◆ Power Engineering
- ◆ Power System Control, Automation, Stability & Protection
- ◆ Electrical Machines & Adjustable Speed Drives
- ◆ Smart Grids
- ◆ Power Converters & Control Equipment for Smart Grids
- ◆ Environment, Renewable Energy & Energy Efficiency
- ◆ Transmission & Distribution

More topics, please go to: <http://www.icpee.net/callforpapers.html>

## Submission Methods

### ◆ Online Electronic System:

## ICPEE Tracks

### Track 1: Power System Resilience

**Chair:** Assoc. Prof. Lei Chen, Wuhan University, China

### Track 2: AC/DC Hybrid Distribution Networks

**Chair:** Assoc. Prof. Haoran Ji, Tianjin University, China

Assoc. Prof. Qian Xiao, Tianjin University, China

### Track 3: Transformer Design, Analysis, and Fault Diagnosis

**Chair:** Assoc. Prof. Dezhi Chen, Shenyang University of Technology, China

## Keynote Speakers

**Prof. Siew Hwa Chan, Nanyang Technological University, Singapore**

Fellow of Academy of Engineering, Singapore

Fellow of ASEAN Academy of Engineering and Technology

**Prof. Gianfranco Chicco, Politecnico di Torino, Italy**

IEEE Fellow

Editor-in-Chief of Sustainable Energy Grids and Networks

Editor of IEEE Open Access Journal of Power and Energy

## Invited Speakers

**Prof. Mahdi Jalili**

RMIT University, Australia

**Prof. Victoria Laura Barrio**

University of the Basque Country (UPV-EHU), Spain

**Assoc. Prof. Sohrab MIRSAEIDI**

Beijing Jiaotong University, China

**Assoc. Prof. Siqi Bu**

Hong Kong Polytechnic University, Hong Kong, China

**Prof. Zhilei Yao**

Shanghai Maritime University, China

**Prof. Chunxue Wen**

North China University of Technology, China

**Asst. Prof. Xu Xu**

Xi'an Jiaotong-Liverpool University, China
